Beaches Habitat for Humanity "Love Thy Neighborhood" Event

Dear Prospective Exhibitor / Vendor:

Beaches Habitat for Humanity will host its first ever community event in our newest neighborhood, OceanGate, on Saturday, April 27<sup>th</sup>. Please accept our invitation to partner with us for a fun and meaningful event. The goal of **Love Thy Neighborhood** is to connect with and serve the OceanGate neighborhood and surrounding residents to raise their awareness of the services that are available in the Beaches communities.

**Love Thy Neighborhood** will be an opportunity for you to introduce your services to this community and connect with them on an individual basis. We expect the families of many Beaches Habitat for Humanity households, as well as other area residents, to attend this event.

There is no charge for the event. We invite you to provide educational material and informational brochures to share with event attendees. If you have a product that you're willing to allow attendees to sample for free, that would be a welcome addition to the event!

If you agree to participate, please complete the attached Exhibitor/Vendor registration form and return it at your earliest convenience. Feel free to contact me with any questions or for further information.

Thank you for your time and consideration.

Sincerely,

Sarah Jared  
Community Outreach Director
