

Beaches Habitat for Humanity works to build strength, stability and self-reliance in partnership with people in need of affordable housing. Habitat homeowners help build their own homes alongside volunteers and pay an affordable mortgage. Since 1991, Beaches Habitat has built more than 338 new homes and rehabbed or repaired more than 71 existing homes for families in need of affordable housing in the Jacksonville Beaches communities.

Each fall, Beaches Habitat hosts Beach Bash, our annual celebration and auction. This year's event will be held on Monday, October 28, 2019, overlooking the ocean at the beautiful Sawgrass Beach Club. We've invited chefs from the finest beaches restaurants to take you on a culinary world tour as part of our **Ultimate Chef's Challenge: Flavors of the World**. While you sample cuisine from countries near and far, bid on fantastic travel opportunities and many other great items during our live and silent auctions. And don't forget the live music and an open bar!

With its 21-year history of food and fun, Beach Bash is a great opportunity to partner with a well-known and established non-profit. Your event sponsorship will bring attention and recognition to your brand, while also helping Beaches Habitat to carry out our mission of building and repairing affordable homes. In addition to promotional opportunities that will allow you to expand your reach in the community, you'll also receive tickets to the event and access to our VIP reception. We invite you to attend, sponsor, and be recognized as we celebrate an evening that will change lives and build a better community.

Please consider how you can contribute to Beach Bash 2019 and help build the next Habitat for Humanity home for a Beaches family in need of affordable housing.

On behalf of the families we serve, thank you.

Board Chairperson
